Calling early in the morning (e.g., between 6:00 a.m. and 8:00 a.m. local time) or late at night can often help reduce hold times. Midweek days like Tuesday and Wednesday are also better for reaching an agent more quickly. Travelers should avoid busy calling periods, including late mornings, lunch hours, and early evenings—especially on Mondays and Fridays when support lines are usually crowded. Keeping your booking confirmation and travel details ready before calling can make the conversation smoother and help resolve issues faster.
